

California Math Project

Mathematics Modeling Institute

For Teachers Grades 6-12

August 15-17 ~ 9:30am-4:30pm ~ HCOE Annex

At the heart of modeling with mathematics is engaging students in high-level, cognitively-demanding mathematics tasks.

This institute aims to support that engagement, emphasizing:

Common Core Standards for Mathematical Practice

Choosing appropriate mathematical tasks

A multi-representational approach to solving problems

Questioning techniques

Literacy in mathematics

Instructional planning

Information: Ryan Keller, HCOE
(707)441-4505, rkeller@hcoe.org

Registration: <https://ucla.in/2FwmnWR>
Course #7898

Cost: \$450/participant
